## Coaches Corner:

### Competition Forms:

It is very important that when entering a Starskate competition that you fill out the registration form correctly. Lately many forms have been handed in with information missing. It is the skaters job to have the coach sign and a board member sign all forms. All forms will require you to fill in your skaters Skate Canada number. All Starskaters should have a copy of their number. If information is not filled in the club hosting the competition has the right to refuse your form or charge you an addition fee for having to call our club and get any missing information.
